ALLSOP®

Accessorising Your Life For Over 30 Years

Allsop Europe is part of the Allsop Global Network of Companies. Allsop Inc. was established in the USA in 1965 and serves the American and Australasian markets. Allsop Europe was established in Ireland in 1979 and is the licensed manufacturer of the Allsop, Clingo and Gaiam ranges of computer, audio/visual, tablet and mobile phone accessories for Europe, the Middle East, Africa and India. We currently distribute our products to 30 countries and are present in the key retail channels in these markets.

Our long-term success in our market sector has been driven by a few key strengths:

1. Our track record in innovation – Over 30 years experience developing new and fresh ideas.
2. Producing a quality Product – Allsop is an IS0 9001:2008 accredited manufacturer. Anything we produce is made to the highest standard within our industry.
3. Our ability to develop the right product range – Continuously adding new and interesting products designed to maximise value from the retail space we occupy.
4. Our strong focus on customer service throughout the organisation.
5. A close working relationship with our comprehensive network of distribution partners.

With our 3 brands, Allsop, Clingo and Gaiam, we offer a range of accessories focused on the following categories:

- Desktop & Notebook Ergonomics
- Cleaning & Maintenance products for digital equipment in the office, at home and on the go.
- Notebook & Tablet Accessories
- Smart Phone Accessories

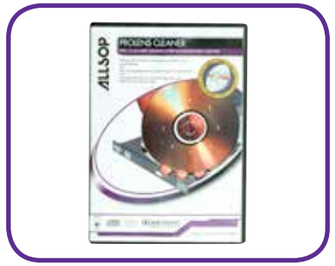
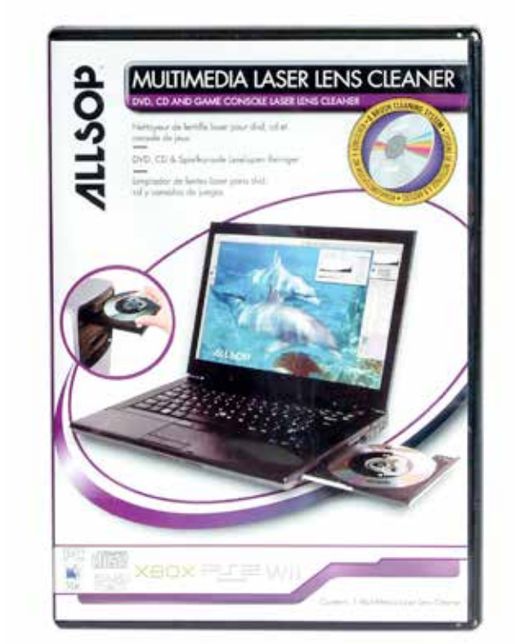
05942 - Ergo Plus Mousepad with free Stress Ball



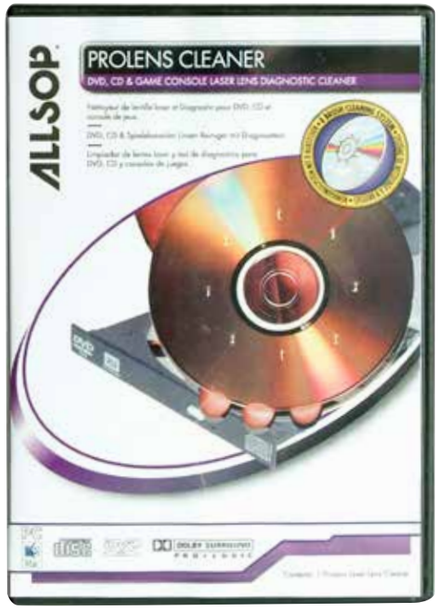
For over 30 years Allsop has been producing audio visual cleaning solutions. Our cleaning systems are some of the most innovative on the market. We provide a cleaning solution to enhance your equipment's life span and protect your investment.

- The kit comprises 2 high-quality, washable MicroFibre cleaning and polishing cloths, a 15ml bottle of Allsop scratch repair solution and a DiscGrip disc holder.
- The Disc Scratch Repair Kit is suitable for use with CD, DVD, Blu-ray and Game discs.
- Pays for itself with the first disc saved.
- The DiscGrip securely holds the disc during the repair process, preventing damage to the sensitive printed side of the disc.
- Each kit is sufficient to repair in excess of 100 damaged discs.
- Simple and easy to use.

59171 - Disc Scratch Repair Kit

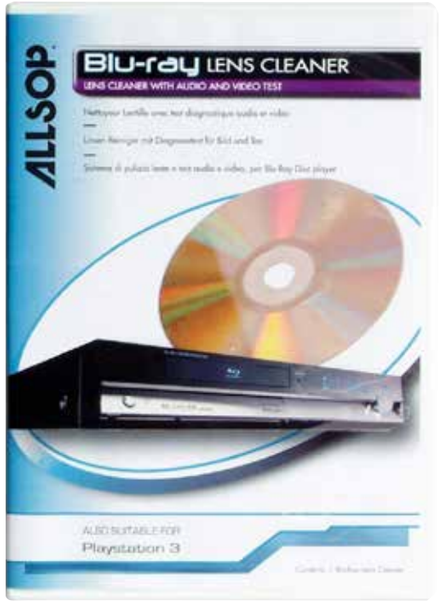


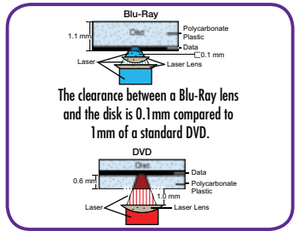
- The micro-fine brushes are positioned in a staggered configuration to sweep the full laser lens dome, as the cleaning disc rotates.
- The 8-brush system ensures thorough and reliable cleaning, without the risk of damage to the sensitive, coated laser lens.
- Regular cleaning of the laser lens helps to eliminate the risk of read/write errors.
- Simple and easy to use.
- Suitable for computer drives, game consoles, DVD and CD players.



- DVD, CD and Game Console Laser Lens Cleaner.
- Easy to use – insert the ProLens Cleaner and play as you would an ordinary CD.
- The 8-brush system's micro-fine fibres gently remove dust and debris, without the risk of damage to the sensitive, coated laser lens.
- Prevents skipping and improves sound and picture reproduction.
- Includes 17 Dolby Laboratory approved diagnostic tests for stereo and Dolby Surround Pro-Logic home theatre systems.

8 BRUSH SYSTEM





- Prevents skipping and improves sound and picture reproduction.
- Features 2 Brush system specifically designed for use on Blu-Ray Drives.
- Includes audio and picture tests.
- Suitable for PS3.
- The Clearance between a blu-ray lens and the disc is 0.1mm compared with the 1mm of a standard DVD. Blu- Ray disks store 5X more than standard DVD.
- The level of complexity in the interactive features on a Blu Ray disc goes far beyond anything available on a standard DVD player.
- It is absolutely best practice to use a Blu-Ray specific lens cleaner on a Blu-Ray drive.

Allsop's cleaning products are time tested. We continue to design products to help extend the life of your digital electronic equipment from TVs to your top of the range Tablet. You can always count on Allsop to help maintain your electronics.
